Cover Letter

Dear Hiring Manager,

I am writing to bring 9+ years of project management and business development experience across real estate, exhibitions and media to your team. My work centers on turning commercial opportunities into delivered projects and signed contracts, on budget, on schedule and to a clear quality standard.

As Project Management & Business Development Manager at Alsoliman Real Estate, I conduct feasibility studies for opportunities and tenders, manage partnerships with agencies, service providers, sales platforms and partners such as Knight Frank, and oversee budgets and the procurement cycle in SAP ERP (MM) as part of the SAP S/4HANA go live team. I contributed to launching Alsoliman Business Compound (SAR 90M raised), opening Sakina Compound in Makkah, and the Bader Villas campaign, winner of the International Property Awards 2022.

What I bring:

- 100+ projects managed from planning through technical and financial closure.
- 17+ strategic contracts closed and 48% sales growth.
- 350+ products managed while sustaining 94% customer satisfaction.
- Hands on RFP development, bidding, contract negotiation and B2B partnership management.
- Financial governance and procurement in SAP ERP (MM), and pipeline management in Bitrix24 CRM.

I believe a project succeeds when the commercial opportunity is understood precisely and stakeholders, suppliers and costs are managed with discipline. I would welcome the opportunity to bring this approach to your organization and support your operational and commercial goals.

I would be glad to discuss how I can add value to your team. My portfolio and resume are available at muhajjar.com.

Sincerely,

Munther AlHajjar
